Subject: Coleen's Trophies - Proposed Awning

Aleecya,

I have given Coleen's Trophies permission to have an awning put up at the property I own at 615 N Main St in Garden City, Kansas. The awning proposed will be over the space Coleen's Trophies occupies at 615 N Main St, Unit B. I kindly ask for a waiver to the city's zoning regulations regarding awnings and allow Coleen's Trophies to put up their proposed awning once approved by an engineer.

Thank you,
Robert Rupp
